3. Purpose of the service, creation:

The service provider launched the real service it offers in order to provide the possibility to use accommodation. To support this physical service and its appearance on the Internet, he created these sites to disseminate information to those interested. This document and other documents available on the Site relate solely and exclusively to the services provided by websites appearing on the Internet. For the rules of the service (s) related to the accommodation, the service provider must be contacted and the conditions must be agreed directly with the service provider. Websites provide only minimal information to website visitors. It is possible to find the contact details of the service provider from the site or to provide direct messaging for immediate contact. This is possible after filling in a form, which is sent directly from the website and only the service provider will receive what is described here.

4. Purpose, task, operation of the website:

We have created this website in order to provide visitors with information on how to use the Blonde River Apartment. Accordingly, this website operates in a completely public manner and can be used by anyone. We do not provide any services on the Website other than the transfer of information and do not collect any kind of data about any visitors. An exception to these terms and conditions is direct messaging, which we have created for the purpose of making it easier for a visitor or interested person to contact us. We act in accordance with the provisions of the "Privacy Statement" available on the website regarding the management of the data provided here, as well as the data management of the processes implemented by the entire website and operating behind it. We always try to publish truthful information and data on our website.

5. Various claims, objections:

Visitors can report their objections via the e-mail address provided on the "Contact" page of the website. Please note that we do not take any responsibility for any misspellings or incorrect data found on the website!

6. Limitation of liability:

Browsing the service provided by the service provider presupposes the visitor's knowledge and acceptance of the possibilities and limitations of the Internet, in particular with regard to technical performance and possible errors.

The Service Provider shall not be liable in any way for errors due to the items listed below, for whatever reason.

- Non-arrival, accidental or alteration of any data sent and / or received on the Internet by third party activities.
- Any malfunction in the Internet network that prevents this service from operating smoothly.
- Any failure of any receiving device on the communication lines.
- Any letter not sent by registered mail or return receipt, whether received on paper or electronically,
- but especially the loss of any data.
- Improper operation of any software.
- Consequences of any program error, extraordinary event or technical error.
- The service provider is not liable on any grounds, for any direct or indirect damage caused by connecting to the service, viewing the service.
- The visitor is fully and unlimitedly liable for damages resulting from the provision or publication of the personal data of another person. In such a case, the operator shall provide all assistance to the competent authorities in order to establish the identity of the infringer.

7. Other information:

The Service Provider declares that it acts in all respects in accordance with the relevant laws and regulations. He declares that he complies with the regulations of Hungary and the European Union.

The Service Provider strives to serve the needs of the visitors who contact it, taking into account the possibilities, in order to achieve the complete satisfaction of the visitors. Service Provider makes every effort to make visitors feel secure about the data entrusted to them.
